

FOR IMMEDIATE RELEASE

LINKBANK's Mortgage Department Launches Encompass® to Enhance Client Experience

July 1, 2024 – Capital Region, PA — LINKBANK's Mortgage Department Introduces Encompass® by ICE Mortgage Technology®. This cutting-edge, end-to-end digital mortgage solution is set to revolutionize the client experience by streamlining the entire loan process—from origination to sale and purchase—using a single system of record.

Our mortgage offerings are designed with our clients in mind, helping them achieve their dream of homeownership. We provide a variety of mortgage products, including conventional loans, construction-to-permanent loans, and land loans. Additionally, we offer first-time homebuyer programs and other special programs tailored to meet diverse needs.

With the implementation of Encompass®, clients will benefit from a more efficient and seamless mortgage application process. They can now start their mortgage application for home purchases directly through our website's application link or by contacting our dedicated team to explore our home refinancing options. This new system ensures a smoother, faster, and more transparent experience, making it easier for clients to navigate the complexities of obtaining a mortgage.

For more information, visit LINKBANK.COM/MORTGAGE to discuss how we can assist you in making your homeownership dreams a reality.
